

Real Estate Broker / Immobilienmakler

ELITE IMMO GROUP is looking for a “shark” salesperson to join our team to find and sell residential apartments & houses in the Hamburg area; must be aggressive but charming. Elite is already successful in the rental market and in the Ex-pat relocation market as well as in international sales. We now want to expand our residential sales capabilities in Hamburg.

This is not the boring 9 to 5 job sitting in an office. Elite can offer you what few other real estate firms can offer – freedom. You will have control over your life and your career. We only focus on results, not checking your minutes at work or your personal time during the day. We also offer high percentage of commission. However, in exchange for this freedom, the pace will be hard, demanding, and results oriented. Elite will support you with help in marketing, expose preparation, property photographs, etc. but you will be expected to build a sales department including the most important challenge, finding and selling properties in the tight Hamburg market.

If you think that you have the property acquisition skills and sales capabilities of a “shark”, direct experience in the Hamburg residential property market, as well as good English skills, please contact us and we will respond immediately. You will enjoy working with our cheerful team here in Hamburg.

Please send your application, CV and compensation requirements in German or English by E-Mail to karriere@eliteimmogroup.com
